AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice; extension of test-market period.

SUMMARY: On March 30, 1995, the Agricultural Marketing Service (AMS) published a notice in the Federal

Register (60 FR 16428) announcing a one-year test-market period for USDA grade-identified, boneless-skinless poultry legs and drumsticks, based on tentative grade standards. AMS is extending the test-market period beyond its scheduled end, April 1, 1996, until it makes a final determination about the tentative standards.

FOR FURTHER INFORMATION CONTACT:

Larry W. Robinson, Chief, Grading Branch, Poultry Division, 202-720-3271.

SUPPLEMENTARY INFORMATION: On March 30, 1995, the Agricultural Marketing Service (AMS) published a notice in the Federal Register (60 FR 16428) announcing a one-year test-market period for USDA grade-identified, boneless-skinless poultry legs and drumsticks, based on tentative grade standards. The test-market period is scheduled to end April 1, 1996, after which the Agency will evaluate the test results. If AMS decides to amend the current poultry grade standards, a proposal with comment period will be published in the Federal Register. To allow processors to continue marketing these products while the Agency evaluates test results, AMS has determined that it is appropriate to extend the test-market period until a final determination is made about the tentative grade standards.

Dated: March 21, 1996.

Kenneth C. Clayton,

Acting Administrator.
